*From your principal or supervisor, you must secure a letter of support for your activity/project idea, and this letter is to be attached to your application and submitted to the "Stoney Mini-Grants Committee", c/o Tom Ervin, at tombervin@gmail.com

A requirement of the grant program is to do one of the following. Please indicate your preference.

Are you willing to present your project at a NESTA session at one of the
Fall NSTA Area Conferences, or at the Spring National NSTA Conference? yes no

Are you willing to write and submit a short article for TES about the classroom
implementation of your grant idea, intended for inclusion in NESTA's journal (TES)?

Instructions

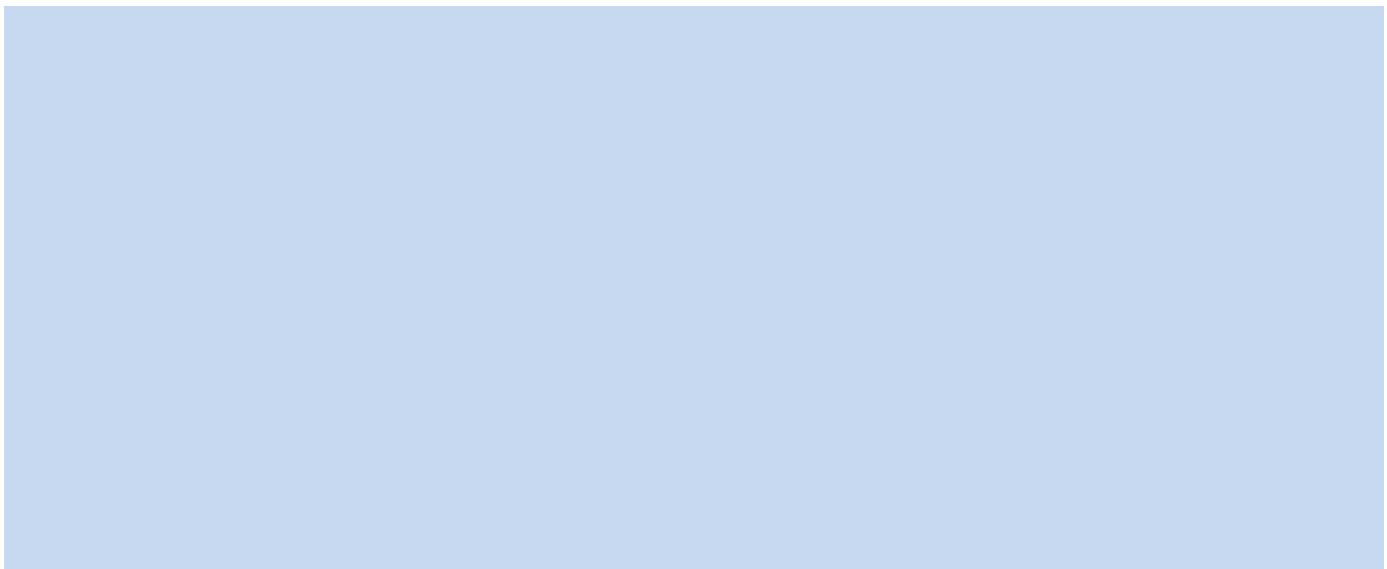

1. The above application “cover page” needs to be completed and submitted with your application. It will provide to the Review Committee a summary of your idea; its cost, as well as a way to contact you to clarify any questions. The required letter from your principal or supervisor ensures that the appropriate administrative staff is aware of, and supports your application.
2. The narrative section should be completed on this form below. Please be sure to complete all four of the sections, keeping your descriptions short and simple.
3. Membership is a requirement for processing a grant application. If you are not a member of NESTA, please join NESTA at <http://www.nestanet.org/cms/content/store/membership>
4. The application must be emailed to Tom Ervin, at tombervin@gmail.com by Oct 31. If you have questions or need additional information, contact Tom Ervin, at tombervin@gmail.com
